Make it easy - Buy Visa Length Health Cover

Having OSHC is a condition of your student visa (limited exceptions apply - please see the OSHC brochure). So buying Visa Length Health Cover is the simple premium option to keep everything up to date. This method of payment is a once only payment for the length of your student visa that will ensure you are protected from any subsequent rise in premiums during that time.

What is a Family?

Family includes the student, the spouse of the student and any dependent children of the student who have been authorised to enter and remain in Australia with the student and who are actually residing at the same place of residence as the student. Dependent children must be under 18 years of age and not married or in a defacto relationship. Other family members are advised to purchase a Medibank Private Visitors Cover.
