

# Medibank No Gap In-hospital Diagnostic Locations

If you require blood tests, ultrasounds, scans or X-rays during your hospital stay, Medibank has arrangements with pathology and radiology providers to ensure you do not have an out-of-pocket cost at the following hospitals where they operate. If your hospital is not listed below and you require further information about possible out-of-pocket expenses for diagnostic services, please contact the hospital, as they know who their provider is and how they charge.
