What does it mean?

Waiting periods: A waiting period is a period of time you need to wait after taking out your cover before you're entitled to receive benefits for services or items covered. You're not able to receive benefits for any items or services you might have obtained while you are serving a waiting period or before you joined Medibank.

Annual limit and sub limit: An annual limit is the maximum amount of benefits payable for an extras service, particular groups of extras services or items within a calendar year (i.e. 1 January – 31 December). The benefit is paid for a particular item or service within an overall annual limit. Where the annual limit increases, it will increase on 1 January, up to the maximum limit. The first increase will be applied only after you've served one full calendar year. A sub limit is a maximum amount you can receive on an annual basis (or within other defined periods of time) for a particular item or service within an overall annual limit. Benefits are paid per person per calendar year unless otherwise shown. For more information call us on 1321 680.

Benefit Replacement Periods (BRPs)

This is the period of time you need to wait from the date of purchase for an item before you can receive another benefit to replace it. This is separate to the waiting period. Below are the benefit replacement periods that apply to your cover. These apply per member, unless otherwise stated.

Additional restrictions may apply to some individual dental item numbers and services. Please contact us prior to your treatment.

*Members under the age of 18 are entitled to a benefit for a replacement mouth guard once every 12 months.

Referral letter

A referral letter is required to claim benefits for some items under your cover. Refer to the Member Guide for more information.

Things to note

- Benefits are only payable for extras services provided by recognised providers.
- The benefit we pay for a particular claim is likely to be less than the annual limit and less than your provider's charge. This means you'll usually have out-of-pocket expenses for each service or item.
- You might need to wait for a period of time from the date of purchase of some items before you are entitled to another benefit to replace the item (benefit replacement period).
- Additional restrictions may apply to the payment of benefits for some services.
