In March 2018, Medibank introduced FamilyFlex- a new approach to parental leave for our employees. Medibank removed all references to primary and secondary carer from our policies - ALL parents at Medibank are now entitled to a full 14 weeks paid parental leave, regardless of the role they play in child rearing. Employees are also able to take their 14 weeks leave flexibly within the first 2 years of the child;s birth, across 2 distinct periods, if that suits their needs. We also reduced the eligibility period to 6 months after commencing employment.

This is all in addition to our existing supports- Medibank's Parental Leave support suite is aimed at supporting parents (men and woman) during their pregnancy/adoption process, to prepare for parenthood, and to ease the transition

onto parental leave and then bank into the workplace. We also hope to increase the number of men accessing parental leave. The suite includes:

- A parental leave guide, which provides checklists and advice to employees across the parental leave process, including how to manage their health and wellbeing;
- A mobile-first Parental Leave Navigator program which connects people leaders and employees throughout the parental leave process via reminders, check-ins and just-in-time resources; and
