

Cover Summary

Medibank Basic Everyday Starter

This cover is only available for singles and couples.

Here's a summary of the services and treatments provided by your cover. Please read it and keep it somewhere safe for future reference. For a better understanding of how your cover works refer to your Member Guide, which is a summary of our Fund Rules and policies, or call us on 132 331.

Hospital cover

Hospital cover can pay towards services you receive when you're admitted to hospital and treated as a private patient. It can't pay towards any services when you're not admitted to hospital (eg. seeing your GP or specialist).

This is a minimum level of cover and only provides benefits for the services listed below as Included or Restricted.

You may still incur out-of-pocket expenses above the amount we pay. Before booking your treatment, call us to find out the benefits you can expect to receive, and any out-of-pocket expenses you might incur.

What does it mean?

Included Service

We pay benefits towards overnight and same day hospital accommodation, intensive care and medical services where a Medicare benefit is payable. Medibank has arrangements with most private hospitals and day surgeries in Australia - these are known as Members' Choice hospitals. You'll generally get better value if you go to one of these providers.

If you're treated at a non-Members' Choice private hospital, we'll generally pay lower benefits and you may incur significant out-of-pocket expenses.

Where you're treated as a private patient in a public hospital, we'll pay benefits towards overnight and same-day accommodation in a shared room.

Restricted Service

A Restricted Service is a service where we pay the minimum benefit set by the government towards hospital accommodation.

If you're treated in a private hospital for a Restricted Service, you are likely to incur substantial out-of-pocket expenses because this minimum benefit will not be enough to cover all hospital costs.

For Restricted Services as a private patient in a public hospital we will pay minimum shared room benefits.

Excluded Service

An Excluded Service is a service that we won't pay any benefits towards, including any hospital accommodation or medical services.

Medibank does not pay towards cosmetic treatment.

Common and Support services

There are a number of Medicare Benefits Schedule (MBS) items that will also be included to support the services under this cover where a benefit is payable. These may include items like in-hospital consultations and some scans, tests and anaesthetics that are associated with your hospital admission.

- For ambulance attendance or transportation to a hospital where immediate professional attention is required and your medical condition is such that you couldn't be transported any other way. TAS and QLD have State schemes to cover ambulance services for residents of those States.

Accidental Injury Benefit means that any Excluded or Restricted Service will be treated as if it is an Included Service, where you require hospital treatment as a result of injuries sustained in an Accident. It only applies where the Accident occurred after joining your cover.

See your Member Guide for more information.

? Things you need to know about your Hospital cover

Waiting Period

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service.

Accident Waiting Period Waiver

Where a 1-day or 2-month waiting period applies to a service or treatment under your Hospital cover, it may be waived for claims resulting from an Accident that occurred after joining this cover.

Waiting periods

1 day	Ambulance services.
2 months	Hospital psychiatric services, Rehabilitation and Palliative care.
	Hospital treatment for conditions requiring hospitalisation that are not deemed pre-existing conditions.
12 months	Pre-existing conditions
	An ailment, illness or condition that, in the opinion of a Medical Practitioner appointed by Medibank, the signs or symptoms of which existed at any time in the 6 month period prior to the day on which you became insured under the policy or changed your cover.

Excess

This is the amount you pay towards your hospital admission (same-day or overnight) before we pay any benefits. There are three excess levels on this cover: \$250, \$500 and \$750.

The excess applies per member, per calendar year. Some hospitals may require you to pay the excess at the time of admission.

☆ Making the most of your Hospital cover

Go to a Members' Choice Hospital

Medibank has arrangements with most private hospitals and day surgeries in Australia, so you generally get better value for Included Services if you go to one of these providers.

To find your nearest Members' Choice hospital, visit medibank.com.au/memberschoice

Members' Choice hospitals are subject to change from time to time and are not in all areas.

GapCover – How to reduce your in-hospital medical out-of-pocket expenses

Medibank's GapCover is designed to help eliminate or reduce your out-of-pocket expenses for in-hospital doctor's charges.

Where your doctor decides to charge more than the MBS fee (the set government fee), you will be left with an out-of-pocket expense, commonly referred to as the 'gap'.

Doctors can choose to participate in GapCover on a claim-by-claim basis.

Check upfront with each doctor involved if they'll participate in Medibank's GapCover for each claim as part of your treatment, to help reduce your out-of-pocket expense. Out-of-pocket expenses may still apply.

It's important to know GapCover doesn't apply to diagnostic services. See your Member Guide for more information.

Choice of treating doctor or specialist

You can choose your doctor or specialist when you're treated in hospital as a private patient.

Surgically implanted prostheses

For an Included or Restricted Service, we'll pay the minimum benefit as listed in the Australian Government's Prostheses List.

Travel and accommodation

We pay benefits for travel and non-hospital accommodation related to an eligible hospital admission. Travel benefits are payable where the patient must travel more than 200km return. Accommodation costs per admission are limited to \$20 and travel costs are set at \$0.15 per km. The total combined benefit payable for travel and accommodation is \$50 per admission. Conditions apply, refer to your Member Guide.

24/7 Medibank Nurse

Members are supported around the clock by Medibank nurses on our 24/7 Medibank Nurse telephone service. Call 1800 644 325 for expert health-related advice any time of the day.

Extras cover

Here are the Extras services you can claim for, along with the limits and waiting periods that apply.

Through our Members' Choice network, you'll generally get better value for money with capped rates and a percentage back on what you're charged. With a non-Members' Choice provider, you'll generally get back a Fixed Amount for that service regardless of the provider's charge. As long as the provider is a Medibank recognised provider, benefits are payable for services or items included under your cover.

It's important to know that the benefit we pay for services or items is likely to be less than your annual limit and less than your provider's charge, which means you may have out-of-pocket expenses to pay.

Service category	Example items and services	Waiting period	Amount you can claim		Annual limit per member
			Members' Choice provider	Non-Members' Choice provider

 Benefit replacement periods apply.

* Members' Choice providers are available for these services only.

^ Members can claim a maximum of two 100% back dental check-ups per member, per year—either two check-ups at a Members' Choice Advantage dentist (including up to two bitewing x-rays per check-up where required), or a first check-up at a Members' Choice dentist (excluding x-rays) and a second check-up at a Members' Choice Advantage dentist. These check-ups do not count towards annual limits.

? Things you need to know about your Extras cover

Waiting periods

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service. Benefits paid under your previous cover will be taken into account in determining the benefits payable under your Medibank cover.

Annual limits

An annual limit is the maximum amount of benefits we pay towards services and/or items within a calendar year. A combined limit is an annual limit that applies to a group of services and/or items.

Fixed Amount

This is the amount we'll pay towards the cost of an Extras service or item if you visit a non-Members' Choice provider. It will generally be lower than the amount you would receive when you visit a Members' Choice provider. The amount of the Fixed Amount depends on the cover you hold and the type of service or item you receive.

📅 Benefit Replacement Periods

This is the amount of time you need to wait from the date you purchase an item, before we pay towards a replacement for it. Below are the benefit replacement periods that apply to your cover. Additional limitations may apply to some individual dental items and services, please contact us on **132 331** before your treatment.

Benefit replacement periods are separate to waiting periods.

Service category	Items	Benefit replacement period
General dental	Mouthguards	12 months

Making the most of your Extras cover

Use Members' Choice Extras providers

We've negotiated capped prices that Members' Choice Extras providers can charge, which generally means more money back in your pocket. You can still use a non-Members' Choice Extras provider, as long as they're recognised by Medibank, but you won't be able to take advantage of the capped pricing.

Members' Choice Advantage providers are part of our Members' Choice Network. If you visit a Members' Choice Advantage provider, you can get 100% back on up to two dental check-ups per year (includes bitewing x-rays if required). Plus you can also get 100% back on a mouthguard each year (subject to your annual limits and capped prices).

It's important to be aware that Medibank's Members' Choice and Members' Choice Advantage Extras providers are subject to change without notice, and are not available in all areas, so please check if they're a Members' Choice or Members' Choice Advantage provider before your treatment or service.
