${fille{ { H} }}$ Making the most of your Extras cover.

Extras providers.

With Extras 70 you can claim a known percentage back at any recognised provider nationwide. That gives you the flexibility to use the service provider of your choice, knowing exactly what percentage of their charge you will receive back each time, up to your annual limit.[†]

It's important to know that the benefit we pay for services or items is likely to be less than your annual limit and less than your provider's charge, which means you may have out-of-pocket expenses to pay.

Get more value at Members' Choice and Members' Choice Advantage providers.

100% back on up to 2 check-ups each year at Members' Choice Advantage dentists and this doesn't count towards annual limits.[‡] 100% back on optical items up to your annual limit, and discounts on most lenses and lens options.[±]

+ Charge refers to the amount charged by a provider for eligible services or items and benefits are subject to the Maximum Medibank Benefit (MMB).

Members can claim a maximum of two 100% back dental check-ups per member, per year-either two check-ups at a Members' Choice Advantage dentist (including up to two bitewing x-rays per check-up where required), or a first check-up at a Members' Choice dentist (excluding x-rays) and a second check-up at a Members' Choice Advantage dentist. These check-ups do not count towards annual limits. Waiting periods apply.

⑦ Things you need to know about your Extras cover.

Waiting periods.

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Annual limits.

An annual limit is the maximum amount of benefits we pay towards services and/or items within a calendar year. A combined limit is an annual limit that applies to a group of services and/or items.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service. Benefits paid under your previous cover will be taken into account in determining the benefits payable under your Medibank cover.

Benefit restrictions.

The Benefit Replacement Periods on your cover are shown below. A Benefit Replacement Period is the amount of time you need to wait from the date you purchase an item, before we pay towards a replacement for it.

Benefit Replacement Periods are separate to waiting periods.

Service category	ltems	Benefit Replacement Period

Additional limitations such as service restrictions (clinical reasonability rules) may apply to some individual dental items and services.

Limits also apply to how often you can claim on some extras services. For example, you can only claim on one mouthguard per person, per calendar year.

Please contact us on 1800 746 746 before your treatment.

🕸 Helping you live better.

Use Members' Choice Extras providers.

Medibank has arrangements with providers for some (but not all) services - these are known as Members' Choice providers. We've negotiated capped prices that Members' Choice Extras providers can charge, which generally means more money back in your pocket. You can still use a non-Members' Choice Extras provider, as long as they're recognised by Medibank, but you won't be able to take advantage of the capped pricing.

Members' Choice Advantage providers are part of our Members' Choice Network and you may enjoy even better value when you need to use eligible extras services at these providers.

It's important to be aware that Medibank's Members' Choice and Members' Choice Advantage Extras providers are subject to change without notice, and are not available in all areas, so please check if they're a Members' Choice or Members' Choice Advantage provider before your treatment or service.
