# ?) What does it mean?

## **Included Service**

We pay benefits towards overnight and same day hospital accommodation, intensive care and medical services where a Medicare benefit is payable. Medibank has arrangements with most private hospitals and day surgeries in Australia these are known as Members' Choice hospitals. You'll generally get better value if you go to one of these providers.

If you're treated at a non-Members' Choice private hospital, we'll generally pay lower benefits and you may incur significant out-of-pocket expenses.

Where you're treated as a private patient in a public hospital, we'll pay benefits towards overnight and same-day accommodation in a shared room.

If you have a private room in a public hospital, we may pay an additional amount towards this, but the hospital may still charge you an out-of-pocket expense.

Hospital cover does not pay towards cosmetic treatment that is not medically necessary or for non-PBS drugs.

## **Common and Support Services**

There are a number of Medicare Benefits Schedule (MBS) items that will also be included to support the services under this cover where a benefit is payable. These may include items like in-hospital consultations and some scans, tests and anaesthetics that are associated with your hospital admission.

- For ambulance attendance or transportation to a hospital where immediate professional attention is required and your medical condition is such that you couldn't be transported any other way. TAS and QLD have State schemes to cover ambulance services for residents of those States.
- Your Hospital cover does not include non-PBS drugs. We will only pay towards cancer-related surgery where that surgery is an Included Service under your cover.
- ^ For Dental surgery performed by a dentist rather than a medical practitioner we only pay benefits towards hospital charges. If the surgery is performed by a medical practitioner and Medicare benefits are payable, we will pay benefits towards the hospital and medical charges.
- + For Podiatric surgery we only pay benefits towards hospital charges. There are no Medicare benefits payable for podiatric surgery. This means we also don't pay any benefits towards the podiatric surgeon's fees under Hospital cover and you could incur significant out-of-pocket expenses.

# ? Things you need to know about your Hospital cover.

## **Waiting periods**

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services or lower your excess. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

## Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service.

## **Accident Waiting Period Waiver**

Where a 1-day or 2-month waiting period applies to a service or treatment under your Hospital cover, it may be waived for claims resulting from an Accident that occurred after joining this cover.

Waiting periods		
1 day	Ambulance services.	
2 months	Hospital psychiatric services, Rehabilitation and Palliative care.	
	Hospital treatment for conditions requiring hospitalisation that are not deemed pre-existing conditions.	
	Private emergency department benefit.	
12 months	Pre-existing conditions  An ailment, illness or condition that, in the opinion of a Medical Practitioner appointed by Medibank, the signs or symptoms of which existed at any time in the 6 month period prior to the day on which you became insured under the policy or changed your cover.	
	Pregnancy and birth.	
	Continuous Positive Airway Pressure (CPAP)-type devices.	

## **Excess**

This is the amount you pay towards your hospital admission before we pay any benefits. There are three excess levels on this cover; \$250, \$500 and \$750. Some hospitals may require you to pay the excess at the time of admission.

The excess applies per member, per calendar year, but doesn't apply to Child, Student or Adult Dependants on a family membership, or for eligible hospital admissions that are part of a Medibank No Gap program.\*

<sup>\*</sup> There may be out-of-pocket expenses associated with outpatient appointments, such as your initial visit with a participating surgeon in their consulting rooms. All applicable waiting periods must have been served.

## (A) Making the most of your Hospital cover.

## Go to a Members' Choice Hospital

Medibank has arrangements with most private hospitals and day surgeries in Australia, so you generally get better value for Included Services if you go to one of these providers.

To find your nearest Members' Choice hospital, visit medibank.com.au/memberschoice

Members' Choice hospitals are subject to change from time to time and are not available in all areas.

## Private emergency department benefit

We'll pay a benefit up to an annual limit of \$500 per membership towards any attendance fee ("facility fee") charged by the Private Hospital for patients attending a Private Accident and Emergency Department. The fee amount varies by Private Hospital and does not include medical and other charges (such as charges for diagnostic imaging or pathology), so out of pocket expenses may still apply.

Only available at Private Hospitals with an Accident and Emergency Department. You'll need to submit a claim to receive the benefit and may have to pay upfront. Two month waiting period applies.

#### **Private Room Promise**

If there isn't a private room available at a Members' Choice hospital, you may be entitled to receive \$50 a night, for up to five nights per stay.

The following conditions apply to the Private Room Promise:

- · You'll need to request a private room from the Members' Choice hospital at least 24 hours before your stay;
- · You must provide supporting documentation to Medibank from the hospital about this request;
- · You must be eligible to receive benefits for the treatment you received during your stay;
- · Does not apply for same-day admissions or admissions for sleep studies, or where your doctor specifically requests a shared room for clinical reasons.

## GapCover - how to reduce your in-hospital medical out-of-pocket expenses

Medibank's GapCover is designed to help eliminate or reduce your out-of-pocket expenses for in-hospital doctor's charges.

Where your doctor decides to charge more than the MBS fee (the set government fee), you will be left with an out-of-pocket expense, commonly referred to as the 'gap'.

Doctors can choose to participate in GapCover on a claim-by-claim basis.

Check upfront with each doctor involved if they'll participate in Medibank's GapCover for each claim as part of your treatment, to help reduce your out-of-pocket expense. Out-of-pocket expenses may still apply.

It's important to know GapCover doesn't apply to diagnostic services. See your Member Guide for more information.

## No Gap Programs

Eligible members who participate in a No Gap program will pay no out-of-pocket costs\* on a wide range of medical services as part of a hospital admission for certain procedures at participating hospitals with participating surgeons.

For details on the No Gap programs including participating hospitals and surgeons, please visit medibank.com.au/ health-services or contact our Medibank Health Support team on 1300 733 338.

## Choice of treating doctor or specialist

You can choose your doctor or specialist when you're treated in hospital as a private patient.

## Medical devices and human tissue products

For an Included Service, we'll pay the minimum benefit as listed in the Australian Government's Prescribed List of Medical Devices and Human Tissue Products.

## Travel and accommodation

We pay benefits for travel and non-hospital accommodation related to an eligible hospital admission.

Travel benefits are payable where the patient must travel more than 200km return. Accommodation costs per admission are limited to \$50 per night and travel costs are set at \$0.15 per km.

The total combined benefit payable for travel and accommodation is \$100 per admission. Conditions apply, refer to your Member Guide.

There may be out-of-pocket expenses associated with outpatient appointments, such as your initial visit with a participating surgeon in their consulting rooms. All applicable waiting periods must have been served.
