Hospital cover.

Hospital cover can pay towards services you receive when you're admitted to hospital and treated as a private patient. It can only pay towards some services when you're not admitted to hospital such as ambulance. It won't pay towards seeing your GP and specialist.

Here are the services that are Included, Restricted and Excluded under your Hospital cover.

You may still incur out-of-pocket expenses above the amount we pay. Before booking your treatment, call us to find out the benefits you can expect to receive, and what out-of-pocket expenses you might incur.

? What does it mean?

✓ Included Service

We pay benefits towards overnight and same day hospital accommodation, intensive care and medical services where a Medicare benefit is payable. Medibank has arrangements with most private hospitals and day surgeries in Australia - these are known as Members' Choice hospitals. You'll generally get better value if you go to one of these providers.

If you're treated at a non-Members' Choice private hospital, we'll generally pay lower benefits and you may incur significant out-of-pocket expenses.

Where you're treated as a private patient in a public hospital, we'll pay benefits towards overnight and same-day accommodation in a shared room. If you have a private room in a public hospital, we may pay an additional amount towards this, but the hospital may still charge you an out-of-pocket expense.

! Restricted Service

A Restricted Service is a service where we pay the minimum benefit set by the government towards hospital accommodation.

If you're treated in a private hospital for a Restricted Service, you are likely to incur substantial out-of-pocket expenses because this minimum benefit will not be enough to cover all hospital costs.

For Restricted Services as a private patient in a public hospital we will pay minimum shared room benefits.

x Excluded Service

An Excluded Service is a service that we won't pay any benefits towards, including any hospital accommodation or medical services.

Hospital cover does not pay towards cosmetic treatment that is not medically necessary or for non-PBS drugs.

Common and Support Services

There are a number of Medicare Benefits Schedule (MBS) items that will also be included to support the services under this cover where a benefit is payable. These may include items like in-hospital consultations and some scans, tests and anaesthetics that are associated with your hospital admission.

- For ambulance attendance or transportation to a hospital where immediate professional attention is required and your medical condition is such that you couldn't be transported any other way. TAS and QLD have State schemes to cover ambulance services for residents of those States.
- * Your Hospital cover does not include non-PBS drugs. We will only pay towards cancer-related surgery where that surgery is an Included or Restricted Service under your cover.
- ^ For Dental surgery performed by a dentist rather than a medical practitioner we only pay benefits towards hospital charges. If the surgery is performed by a medical practitioner and Medicare benefits are payable, we will pay benefits towards the hospital and medical charges.
- + For Podiatric surgery we only pay benefits towards hospital charges. There are no Medicare benefits payable for podiatric surgery. This means we also don't pay any benefits towards the podiatric surgeon's fees under Hospital cover and you could incur significant out-of-pocket expenses.

Accident Cover Boost means that any Excluded or Restricted Service will be treated as if it is an Included Service, where you require hospital treatment as a result of injuries sustained in an Accident. It only applies to hospital treatment received within twelve (12) months of the date of the Accident occurring, and where:

- The Accident occurred after joining your cover
- The Accident occurred in Australia
- Your cover was not suspended at the time of the Accident
- You sought treatment from a medical practitioner within seven (7) days of the Accident

See your Member Guide for more information.

? Things you need to know about your Hospital cover.

Waiting periods

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services or lower your excess. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service.

Accident Waiting Period Waiver

Where a 1-day or 2-month waiting period applies to a service or treatment under your Hospital cover, it may be waived for claims resulting from an Accident that occurred after joining this cover.

Waiting periods	
1 day	Ambulance services.
2 months	Hospital psychiatric services, Rehabilitation and Palliative care.
	Hospital treatment for conditions requiring hospitalisation that are not deemed pre-existing conditions.
12 months	Pre-existing conditions. An ailment, illness or condition that, in the opinion of a Medical Practitioner appointed by Medibank, the signs or symptoms of which existed at any time in the 6 month period prior to the day on which you became insured under the policy or changed your cover.
	Continuous Positive Airway Pressure (CPAP)-type devices.

Excess

This is the amount you pay towards your hospital admission (same-day or overnight) before we pay any benefits.

There are three excess levels on this cover; \$250, \$500 and \$750.

The excess applies per member, per calendar year and it doesn't apply to Child, Student or Adult Dependents on a family membership. Some hospitals may require you to pay the excess at the time of admission.

GapCover – how to reduce your in-hospital medical out-of-pocket expenses

Medibank's GapCover is designed to help eliminate or reduce your out-of-pocket expenses for in-hospital doctor's charges.

Where your doctor decides to charge more than the MBS fee (the set government fee), you will be left with an out-of-pocket expense, commonly referred to as the 'gap'.

Doctors can choose to participate in GapCover on a claim-by-claim basis.

Check upfront with each doctor involved if they'll participate in Medibank's GapCover for each claim as part of your treatment, to help reduce your out-of-pocket expense. Out-of-pocket expenses may still apply.

It's important to know GapCover doesn't apply to diagnostic services. See your Member Guide for more information.
