Making the most of your Extras cover.

Members’ Choice Extras providers.

Through our Members’ Choice network, you’ll generally get better value for money with capped rates and a percentage back on what you’re charged. With a non-Members’ Choice provider, you’ll generally get back a Fixed Amount for that service regardless of the provider’s charge. As long as the provider is a Medibank recognised provider, benefits are payable for services or items included under your cover.

Get more value at Members’ Choice and Members’ Choice Advantage providers.

100% back on up to 2 check-ups each year at Members’ Choice Advantage dentists and this doesn’t count towards annual limits.‡

100% back on a mouthguard each year, subject to your annual limits and capped prices.

100% back on optical items up to your annual limit, and discounts on most lenses and lens options.~

‡ Members can claim a maximum of two 100% back dental check-ups per member, per year—either two check-ups at a Members’ Choice Advantage dentist (including up to two bitewing x-rays per check-up where required), or a first check-up at a Members’ Choice dentist (excluding x-rays) and a second check-up at a Members’ Choice Advantage dentist. These check-ups do not count towards annual limits.

~ Some items excluded. A 6 month waiting period applies.

It’s important to know that the benefit we pay for services or items is likely to be less than your annual limit and less than your provider’s charge, which means you may have out-of-pocket expenses to pay.

How do orthodontic benefits work?

Your orthodontic limit starts with an opening balance which you can access after your 12-month waiting period.

Every year on 1 January after this waiting period, the balance is topped up with an additional amount up to the maximum lifetime limit.

The benefits you can claim after your waiting period:

$$\begin{array}{|c|c|c|c|c|c|} \hline \text{Opening Balance} & + & \text{Any top ups} & - & \text{Any benefits ever claimed*} & = & \text{The benefit you can claim} \\ \hline \end{array}$$

* Includes benefits paid by Medibank or other private health insurers.

Things you need to know about your Extras cover.

Waiting periods.

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service. Benefits paid under your previous cover will be taken into account in determining the benefits payable under your Medibank cover.

Annual limits.

An annual limit is the maximum amount of benefits we pay towards services and/or items within a calendar year.

A combined limit is an annual limit that applies to a group of services and/or items.

Where the annual limit increases, it will increase on 1 January each year, up to the maximum limit. The first increase will be applied only after you've served one full calendar year of membership.

Lifetime limit.

This is a once-only limit that isn't reset each year. When you reach this limit, you can no longer claim that benefit again, even if you change your cover.

Fixed Amount.

This is the amount we'll pay towards the cost of an Extras service or item if you visit a non-Members' Choice provider.

It will generally be lower than the amount you would receive when you visit a Members' Choice provider. The amount of the Fixed Amount depends on the cover you hold and the type of service or item you receive.

Benefit restrictions.

The table below shows the Benefit Replacement Periods and other benefit limitations that apply to certain services on your cover. A Benefit Replacement Period is the amount of time you need to wait from the date you purchase an item, before we pay towards a replacement for it. Below are the Benefit Replacement Periods that apply to your cover.

Benefit Replacement Periods are separate to waiting periods.

Service category	Items	Benefit Replacement Period
Health appliances and external prostheses	Wigs, hip protectors and insulin delivery pens	24 months
	Other health appliances and external prostheses	36 months
Blood glucose monitors and blood pressure monitors	Blood glucose monitors and blood pressure monitors	36 months
Breathing appliances	Peak flow meters, spacing devices and nebulisers	
Major dental	Dentures, crowns and bridges	
Hearing aids	Hearing aids	60 months

Additional limitations such as service restrictions (clinical reasonability rules) may apply to some individual dental items and services.

Limits also apply to how often you can claim on some extras services. For example, you can only claim on one mouthguard or external mammary prostheses per person, per calendar year.

Please contact us on **132 331** before your treatment.

Helping you live better.

Use Members' Choice Extras providers.

Medibank has arrangements with providers for some (but not all) services - these are known as Members' Choice providers. We've negotiated capped prices that Members' Choice Extras providers can charge, which generally means more money back in your pocket. You can still use a non-Members' Choice Extras provider, as long as they're recognised by Medibank, but you won't be able to take advantage of the capped pricing.

Members' Choice Advantage Extras providers are part of our Members' Choice Network and you may enjoy even better value when you need to use eligible extras services at these providers.

It's important to be aware that Medibank's Members' Choice and Members' Choice Advantage Extras providers are subject to change without notice, and are not available in all areas, so please check if they're a Members' Choice or Members' Choice Advantage provider before your treatment or service.
