Extras cover for a better you.

Dental, optical, physio, and more... there are so many ways to look after ourselves. Extras cover helps out with non-hospital treatments to keep you in tip-top shape.

What's Extras cover?

Extras cover gives you money back for everyday health services like dental, physio, optical and more. The amount you can claim back depends on the level of cover you have. Generally, the higher the level of cover, the higher your annual limit, and the higher percentage you can claim back. Plus, if you go to one of our Members' Choice providers, you generally get more back than when you visit a non-Members' Choice provider.

How much can you get back?

Depending on the Extras cover you choose, you could receive 60%, 75% or 90% back when you visit a Members' Choice provider, up to your annual limits. We also pay a fixed amount towards services when you visit a non-Members' Choice provider.

Annual and lifetime limits.

Most services listed in your Extras cover have an annual limit; this is the maximum amount we pay towards that service or item per member (and in some cases per membership) per calendar year. Some My Choice Extras services have a combined limit, which is an annual limit that applies to a group of services and/or items. Annual limits reset every year on 1 January. Lifetime limits on the other hand, apply once in your lifetime and don't reset once used up. For annual and lifetime limits, refer to the table.

Health support that never sleeps.

Medibank health insurance members can talk to a registered nurse or mental health professional at no extra cost.* Chat over the phone or online with 24/7 Medibank Nurse Support and 24/7 Medibank Mental Health Support. Call 1800 644 325 or chat online using My Medibank.

Waiting periods.

Waiting periods may apply when you join us or change your cover to include new or upgraded items or services. We don't pay towards any items or services you receive while you're serving a waiting period.

Members' Choice providers.

We've negotiated capped prices that Members' Choice Extras providers can charge, which generally means more money back in your pocket. You can still use a non-Members' Choice Extras provider, as long as they're recognised by Medibank, but you won't be able to take advantage of the capped pricing.

It's important to be aware that Medibank's Members' Choice and Members' Choice Advantage Extras providers are subject to change without notice, and are not available in all areas, so please check if they're a Members' Choice or Members' Choice Advantage provider before your treatment or service.

Find your nearest Members' Choice provider at medibank.com.au/memberschoice

Get great value with these 100% back benefits.

We know a thing or two about value. That's why My Choice Extras gives you 100% back on extras for kids at Members' Choice providers, up to annual limits.*

We're also giving 100% back on your first consultation with a Members' Choice provider each year, up to annual limits, for one of the following services – physiotherapy, chiropractic, remedial massage, acupuncture or podiatry.*

Plus, you get 100% back on up to two dental check-ups every year, including x-rays, at any Members' Choice Advantage dentist. And that's on top of your annual limit.**

* Waiting periods apply, including 12 months for some dental services. For child (up to 21 years) and full-time student (up to 31 years) dependants. Members' Choice providers not available in all areas. + Available on all My Choice Extras products except My Choice Extras Core. Podiatry is only available on My Choice Extras Support and My Choice Extras Complete. Annual limits and waiting periods apply. - Members can claim a maximum of two 100% back dental check-ups per member, per year - either two check-ups at a Members' Choice Advantage dentist (including up to two bitewing x-rays per check-up where required), or a first check-up at a Members' Choice dentist (excluding x-rays) and a second check-up at a Members' Choice Advantage dentist. These check-ups do not count towards annual limits. 2 month waiting period applies. ^Some referred services may involve out of pocket costs and waiting periods may apply.
