Medibank Funeral Insurance is issued by the insurer, Swiss Re Life & Health Australia Limited (Swiss Re). Swiss Re has sole responsibility for this PDS, the Policy Schedule, and the assessment and payment of claims.

In this PDS, some words or expressions have a special meaning. They normally begin with capital letters and their meaning is explained in the **Glossary** (page 15) of this PDS.

In this PDS, references to 'we', 'us' and 'our' means Swiss Re.

Medibank Funeral Insurance is not issued, guaranteed or underwritten by Medibank Private Limited (Medibank Private), and Medibank Private is not involved, nor liable, in any manner in respect of the assessment and payment of benefits under Medibank Funeral Insurance.

Introducing Medibank Funeral Insurance

Medibank Funeral Insurance offers lump sum cover in the event of death or Accidental Serious Injury.

With Medibank Funeral Insurance, the Life Insured is protected 24 hours a day, 7 days a week, worldwide.

These benefits and the terms and conditions of Medibank Funeral Insurance are explained in this PDS.

Medibank Funeral Insurance includes a guarantee that:

- your Medibank Funeral Insurance premiums will never increase, unless you choose to change your cover; and
- we will reduce your Medibank Funeral Insurance premiums by 3% after every continuous five years your Insurance Policy is in force; and
- the benefit we pay on a Life Insured's death or diagnosis of a Terminal Illness will never be less than the total premiums paid for that Life Insured. This means that we will pay the higher of the Benefit Amount (or Accidental Death Benefit Amount, if applicable) or the total premiums paid for that Life Insured, if the Insurance Policy is in force when that Life Insured dies or is diagnosed with a Terminal Illness, except where no benefit is payable in the circumstances explained in **What is not covered under your Insurance Policy?** on page 9.

Whilst the benefit is designed to assist with the cost of your funeral and other final expenses, the benefit may be used however you (or your nominated beneficiary) see fit. The benefit provides a lump sum only and this insurance does not provide any funeral, burial or cremation services.

Medibank Funeral Insurance also includes cover for:

- Terminal Illness - a lump sum equal to the Benefit Amount, paid if a Life Insured is diagnosed by a Medical Practitioner with a Terminal Illness while the Insurance Policy is in force except in the circumstances explained in **What is not covered under your Insurance Policy?** on page 9;

- Accidental Serious Injury - a lump sum benefit, equal to three times the Benefit Amount, if a Life Insured is diagnosed as having suffered an Accidental Serious Injury within 12 months of an Accident; and
- Accidental Death - a lump sum benefit, equal to three times the Benefit Amount, payable if a Life Insured dies within 90 days of an Accident.

Your Insurance Policy

If your application for Medibank Funeral Insurance is accepted by us, we will issue you a Policy Schedule. Your Insurance Policy consists of your Policy Schedule and:

- this PDS;
- the application (and any future application accepted by us); and
- any special conditions, amendments or endorsements we issue you.

Please keep your Policy Schedule, this PDS, and all documents that we send to you in a safe place for future reference. The insurance provided under Medibank Funeral Insurance is written out of the Swiss Re Statutory Fund.

Who can apply for Medibank Funeral Insurance?

At the time of application, you can apply for a single plan on your own life (Primary Life Insured) or you can apply for a joint plan to include your spouse, partner or de facto (Partner Life Insured) under your Insurance Policy.

You (and the Partner Life Insured, if applicable) must be an Australian Resident aged from 18 to 79 years inclusive, at the time of the Insurance Policy inception. Providing you meet these eligibility criteria, we guarantee to accept your application for Medibank Funeral Insurance. Your Policy Schedule will state which Life Insured(s) are covered.

Once your cover is in place, you will not be able to change your Insurance Policy from a single plan to a joint plan. You may apply at any time in writing to change your Insurance Policy from a joint plan to a single plan subject to approval and written confirmation by us.

The Benefit Amounts under this Insurance Policy

The minimum Medibank Funeral Insurance Benefit Amount is \$3,000 per Life Insured. The maximum Medibank Funeral Insurance Benefit Amount for a Life Insured under the Insurance Policy is \$15,000.

The Accidental Death benefit is equal to three times your funeral insurance Benefit Amount. For example, if you choose \$15,000 funeral insurance cover, the total benefit payable in the event of Accidental Death is \$45,000.

The Accidental Serious Injury benefit for each Life Insured is equal to three times the funeral insurance Benefit Amount.

When you apply with a Partner Life Insured for Medibank Funeral Insurance, you each apply for separate Benefit Amounts.

When we will pay the Benefit Amount

We will pay the benefits explained below as a lump sum if a Life Insured suffers an insured event (explained below) while covered under the Insurance Policy except in the circumstances explained in **What is not covered under your Insurance Policy?** on page 9.

Payment of a Benefit Amount is subject to provision of claim proofs, which are explained under **Making a claim** on page 12.

Payment of the Benefit Amount, as a result of death, Terminal Illness or Accidental Death will end all cover under this Insurance Policy in respect of a relevant Life Insured.

Funeral insurance

We will pay the Benefit Amount if a Life Insured dies from any cause, where death occurs at least 12 months after the Acceptance Date or, if the Insurance Policy is reinstated, 12 months after the date of reinstatement of this Insurance Policy.

Accidental Death

We will pay three times the Benefit Amount if a Life Insured suffers an Accidental Death on or after the Acceptance Date.

Terminal Illness

We will pay the Benefit Amount when a Life Insured is diagnosed with a Terminal Illness, unless the diagnosis is within 12 months of the Acceptance Date, or within 12 months after the reinstatement of this Insurance Policy.

When a diagnosis of Terminal Illness is made within the first 12 months of the Acceptance Date, or within 12 months of reinstatement, we will pay the Benefit Amount if the Life Insured's diagnosis of Terminal Illness is reconfirmed after the first 12 months from the Acceptance Date or reinstatement.

Accidental Serious Injury

We will pay the Accidental Serious Injury Benefit Amount as a lump sum in the case of:

- Paralysis; or
- Permanent Loss of Sight; or
- Permanent Loss of Hearing; or
- Permanent Loss of Use of Limbs or Paralysis

occurring to a Life Insured as a direct result of an Accident, where the Accidental Serious Injury occurs within 12 months of the Accident, except in circumstances explained in **What is not covered under your Insurance Policy?** on page 9.

The Accidental Serious Injury must occur while your Insurance Policy is in force and before the Policy Anniversary following

the Life Insured's 75th birthday. It must be diagnosed by a Medical Practitioner within 12 months of the Accident and must be confirmed by our medical advisors. Only one Accidental Serious Injury Benefit Amount is payable per Life Insured.

Maximum Benefit Amount limit

The maximum Benefit Amount payable for a Life Insured cannot exceed the maximum Benefit Amount set out in **The Benefit Amounts under this Insurance Policy** on page 7.

If the Life Insured is covered under more than one Medibank Funeral Insurance Policy, we will apply these limits to the total of the benefits payable for the Life Insured under all Medibank Funeral Insurance policies. Any reduction in Benefit Amounts will be applied to the Medibank Funeral Insurance policies most recently commenced and we will refund the premiums paid in relation to the reduced benefits.

Once a Medibank Funeral Insurance Policy starts, the nominated Benefit Amount for each Life Insured cannot be increased.

What we will pay you under your Medibank Funeral Insurance

The amount payable for a Life Insured under the funeral benefit will be the funeral insurance Benefit Amount (or Accidental Death Benefit Amount, if applicable), or the total premiums paid for the funeral insurance benefit under the Insurance Policy for that Life Insured, whichever is the greater.

The total benefit payable for a Life Insured under the Accidental Serious Injury benefit will be three times the funeral insurance Benefit Amount.

When your cover starts and ends

If your application for Medibank Funeral Insurance is accepted by us, cover starts for a Life Insured on the Acceptance Date set out in your Policy Schedule. This means that you are covered for a claimable event from

the Acceptance Date. Your first premium is deducted on the Commencement Date, which is also set out in your Policy Schedule.

We guarantee to continue your Medibank Funeral Insurance Policy (provided you pay your premiums when due) for life.

If the Policyowner dies and there is a surviving Partner Life Insured, the Insurance Policy will continue for the surviving Partner Life Insured in his or her name as the Policyowner.

Your Insurance Policy ends when the first of the following occurs:

- the payment of the Benefit Amount for death, Accidental Death or Terminal Illness; or
- the date you cancel your Insurance Policy; or
- the date we cancel your Insurance Policy if you don't pay your premiums when due, in accordance with our rights.

If your premiums remain unpaid for more than one month, your Insurance Policy could be cancelled. If we cancel your Insurance Policy, it may be reinstated within six months of the date that your Insurance Policy was cancelled, but only if we agree and subject to any terms and conditions we require e.g. your Accidental Death period of 12 months may be re-started, that is, if you die within 12 months after the date of reinstatement, only Accidental Death claims will be considered.

The Accidental Serious Injury benefit ends for a Life Insured when the first of the following occurs:

- the date of payment of an Accidental Serious Injury Benefit Amount for a Life Insured; or
- the Policy Anniversary following a Life Insured's 75th birthday.

You can cancel your Insurance Policy by calling us on 1300 766 085 or by writing to:

Policyowner Services
Medibank Life Insurance
Reply Paid 6728
Baulkham Hills NSW 2153

A confirmation of cancellation will be sent to you.

If you wish to discuss the matter or make alterations to your Insurance Policy, you can contact us on **1300 766 085**, Monday to Friday, between 8am and 8pm (AEST).

What is not covered under your Insurance Policy?

During the first 12 months after the Acceptance Date for a Life Insured, a benefit will only be paid if the Life Insured suffers Accidental Death or Accidental Serious Injury. This means that no benefit is payable if the Life Insured dies as a result of any other cause during this limitation period. The same limitation applies for 12 months after the date the Insurance Policy is reinstated.

We will not pay a Benefit Amount where a diagnosis of a Terminal Illness occurs within 12 months of the Acceptance Date, or within 12 months after the reinstatement of this Insurance Policy.

When a diagnosis of Terminal Illness is made within the first 12 months of the Acceptance Date or within 12 months of reinstatement, we will pay the Benefit Amount if the Life Insured's diagnosis of Terminal Illness is reconfirmed, or the Life Insured dies, after the first 12 months from the Acceptance Date or reinstatement.

We will not pay an Accidental Serious Injury Benefit Amount in respect of a Life Insured if a Life Insured suffers Paralysis, Permanent Loss of Sight, Permanent Loss of Hearing, or Permanent Loss of Use of Limbs or Paralysis directly or indirectly as a result of:

- an intentional self-inflicted bodily injury; or
- engaging in any criminal activities or illegal acts; or
- suicide or attempted suicide; or
- the effects of alcohol or the taking of drugs not prescribed by a medical professional; or
- engaging in any professional sport (meaning the Life Insured's livelihood is substantially

- dependent on income received as a result of playing sport); or
- engaging in any motor sports as a rider, driver and/or passenger; or
- war (whether declared or not) or war-like activity, or taking part in a riot or civil commotion; or
- being a pilot or crew member of any aircraft, or engaging in any aerial activity except as a passenger in a properly licensed aircraft.

We will not pay an Accidental Serious Injury Benefit Amount where the Accidental Death Benefit Amount has been paid in respect to the same Accident.

We will not pay a funeral insurance or Accidental Death Benefit Amount where an Accidental Serious Injury Benefit Amount has been paid in respect to the same Accident.

Who receives the Benefit Amount?

We make all Benefit Amount payments to the Policyowner. If you die while owning your Insurance Policy, the Benefit Amount will be paid to your legal personal representative (or other person that we are permitted to pay under the Life Insurance Act 1995) except where a valid beneficiary nomination exists (see **Beneficiary nomination** below). Where a valid beneficiary nomination exists, the Benefit Amount will be paid to the nominated beneficiary or beneficiaries as specified in the nomination form most recently lodged with us. The Benefit Amount will not automatically be paid to the Partner Life Insured unless they are a nominated beneficiary.

Beneficiary nomination

The Policyowner may, at any time during the term of the Insurance Policy, nominate one or more (up to a maximum of five) beneficiaries to receive a specified percentage of the Benefit Amount on his or her Medibank Funeral Insurance. To make a valid nomination, the following rules and procedures apply:

- Up to five beneficiaries can be nominated with a specified percentage share for each beneficiary that must total 100%;
- Only natural persons can be nominated (not, for example, companies or organisations);
- Nominations must be made by the Policyowner completing and signing a valid nomination form which must be lodged with us. A nomination takes effect when it is received and processed by us;
- Nominations may be varied by properly completing, signing and lodging a valid new nomination form with us. A new nomination takes effect when it is received and processed by us;
- If the nominated beneficiary is a minor when the benefit is payable, his or her specified percentage share will be paid to a trustee or legal guardian for the benefit of the minor during his/her minority; and
- If the nominated beneficiary dies before the Policyowner, the nomination in favour of that beneficiary fails and the percentage share specified for the deceased beneficiary will be paid to the Policyowner's legal personal representative (or other person that we are permitted to pay under the Life Insurance Act 1995). The remaining nominations, if any, will continue to be effective.

The payment of the Benefit Amount in respect of a Life Insured, including payment made pursuant to a valid beneficiary nomination, is full and final discharge of our liability under the Insurance Policy for that Life Insured.

All benefits paid in connection with Medibank Funeral Insurance will be made in Australian dollars.

Changing your cover

You can phone us on **1300 766 085**, Monday to Friday, between 8am and 8pm (AEST) to discuss changing your Medibank Funeral Insurance cover. We may require you to confirm changes in writing if you wish to change from a joint plan to a single plan.

You may also apply to us to include a Partner Life Insured. If you apply to make these changes and we approve the change, we will provide confirmation by issuing a new Policy Schedule.

The cost of your cover

Premiums are the cost of your insurance. The premium you are required to pay is shown on your Policy Schedule.

Your premium is calculated at each Commencement Date and is based on:

- the age of each Life Insured at that time; and
- the Benefit Amount for each Life Insured; and
- the smoking status for each Life Insured.

The premium you pay for your Insurance Policy is guaranteed to reduce by 3% after each continuous five years your Insurance Policy is in force. Your total premium will never increase, unless you change your Insurance Policy after the Commencement Date.

When a Life Insured on your Insurance Policy attains age 90, cover for Medibank Funeral Insurance continues. However, premiums for that Life Insured are waived and no further premium payments are required for that Life Insured.

Medibank Private Health Insurance members are eligible for a 10% premium discount on their Insurance Policy, for as long as the Insurance Policy remains in force.

How you can pay for your Insurance Policy and when your premium is deducted

Your premium will be debited by us on the date of your choice, either fortnightly or monthly, or as authorised by the Direct Debit Service Agreement. You can pay either by direct debit from your bank, credit union or building society account, or from your credit card.

You can apply at any time in writing or over the phone on **1300 766 085**, Monday to Friday, between 8am and 8pm (AEST), to change the method of payment or frequency of premiums.

Premiums must be paid in Australian dollars.

Financial hardship

If you are suffering from financial hardship and are having difficulty meeting your premium payments, we may agree to a short term arrangement to assist. It is important that you make us aware of your circumstances so we can provide you with the available arrangement. We may request that you provide us with reasonable evidence of your financial hardship.

Your 30-day cooling off period

You have 30 days from the Commencement Date of your Insurance Policy, or the date any additional benefit starts, to decide whether you want to keep your Insurance Policy or the additional benefit. If you want to cancel your Insurance Policy, or additional benefit, within this 30-day period, you can do so provided you have not made a claim under your Insurance Policy. Please call us on **1300 766 085** or write to:

**Policyowner Services
Medibank Life Insurance
Reply Paid 6728
Baulkham Hills NSW 2153**

requesting cancellation.

Upon notification, we will make arrangements to cancel your Insurance Policy or the additional benefit, as applicable, and refund any premiums you may have paid.

Life Insurance Code of Practice

The Life Insurance Code of Practice has been developed by the life insurance industry through the Financial Services Council and is the life insurance industry's commitment to provide quality products and a high standard of service to customers. A copy of the Code is available at **fsc.org.au**

The risks you should know about

It is important to select the correct insurance product and apply for the appropriate level of cover for your needs. If you do not have enough cover, it might cause you or your family to suffer financial hardship even after receiving the benefit payment. You should assess your needs carefully to ensure that this does not occur.

Medibank Funeral Insurance is designed purely for protection (unlike some other types of life insurance that have savings and investment components) which means that if you cancel your Medibank Funeral Insurance Policy (after the 30-day cooling off period), you will not receive any of the premiums you have paid back.

If you are replacing a contract or contracts, or a policy or policies with a Medibank Funeral Insurance Policy, you should consider all the terms and conditions of each policy before making a decision to change.

Making a claim

If you (or your legal personal representative on your death) wish to claim under your Insurance Policy, please phone **1300 360 129**, or write to:

Claims Services
Medibank Life Insurance
Reply Paid 6728
Baulkham Hills NSW 2153

We will send you, your nominated beneficiary or your legal personal representative, a form to be completed, signed, and returned. We may also require your treating doctor or specialist to complete a form at your (or your estate's) expense.

Claims should be made as soon as possible after the claimable event. If you do not notify us within 120 days after the event giving rise to the claim, and we are disadvantaged by the delay, we may be able to reduce the amount we would otherwise pay, or we may be able to refuse to pay the claim.

Before a claim can be fully assessed, we must receive proof, provided at your (or your estate's) expense and to our satisfaction, that the insured event has occurred. This includes all relevant information, including any test, examination, or laboratory results and certification from one or more appropriate specialist Medical Practitioners whom we approve. Only Medical Practitioners registered in Australia or New Zealand (or in another country approved by us) will be considered for approval.

We reserve the right to require the Life Insured to undergo, at our expense, examinations or other reasonable tests (including, where necessary, a post-mortem examination) to confirm the occurrence of an insured event. In addition, we may conduct investigations to assess the validity of the claim. This could involve the use of investigation agents and surveillance, legal advisers and the collection of personal data.

Your Insurance Policy and the insurance for the benefit of the Life Insured must be in force when the insured event occurs.

Tax

Premiums are generally not tax-deductible and tax will not generally be payable on any benefit paid to individuals under your Insurance Policy.

Please note: You do not have to pay GST on your premiums or any benefits you receive.

The information in this section is based on continuation of present tax laws and their interpretation and is a general statement only. As individual circumstances will vary, you should consult your professional tax adviser for advice regarding your personal circumstances.
