In this PDS, some words or expressions have special meaning. They normally begin with capital letters and their meaning is explained in the **Glossary** on page 19 of this PDS.

In this PDS, references to 'we', 'us' and 'our' means Swiss Re.

Medibank Income Protection is not issued, guaranteed or underwritten by Medibank Private Limited (**Medibank Private**), and Medibank Private is not involved, nor liable, in any manner in respect of the assessment and payment of benefits under Medibank Income Protection.

Introducing Medibank Income Protection

Medibank Income Protection offers a monthly Income Benefit if you suffer a Disability. There are two types of Medibank Income Protection. The type of cover you are eligible to apply for depends on your current Employment Status. Any claim you make will be assessed differently depending on the type of cover you have.

If you work for at least 20 hours per week in permanent paid employment or self-employment, you can apply for **Standard Cover**. If you suffer a Disability under this type of cover and, as a result, you are not able to work in your Usual Occupation, for longer than the Waiting Period, a monthly Income Benefit will be paid, subject to the terms and conditions of your Insurance Policy.

If you work less than 20 hours per week, paid or unpaid, you can apply for **Essential Cover**. If you suffer a Disability under this type of cover and, as a result, you are not able to perform certain essential day to day activities (which are described on page 8) for longer than the Waiting Period, a monthly Income Benefit will be paid, subject to the terms and conditions of your Insurance Policy.

In addition to the monthly Income Benefit, a premium waiver and a death benefit are available under your Insurance Policy. Other additional benefits which may be applicable include a lump sum payout for Total and Permanent Disability and rehabilitation benefits.

Enhanced benefits are available for those with Medibank Private health insurance; a Member Bonus and a 10% discount on the Medibank Income Protection premiums.

With Medibank Income Protection, the Life Insured is protected 24 hours a day, 7 days a week, worldwide, provided you remain an Australian Resident.

The benefits and the terms and conditions of Medibank Income Protection are explained in this PDS.

Your Insurance Policy

If your application for Medibank Income Protection is accepted by us, we will issue you a Policy Schedule. Your Insurance Policy consists of your Policy Schedule and:

- this PDS;
- the application (and any future application accepted by us); and
- any special conditions, amendments or endorsements we issue you.

Please keep your Policy Schedule, this PDS, and all documents that we send to you in a safe place for future reference. The insurance provided under Medibank Income Protection is written out of the Swiss Re Statutory Fund.

Who can apply for Medibank Income Protection?

You can apply for Medibank Income Protection if you are an Australian Resident aged from 18 to 59 years inclusive.

We reserve the right to accept or decline applications for Medibank Income Protection at our absolute discretion.

What type of Medibank Income Protection you can apply for

There are two types of Medibank Income Protection. The type of cover you are eligible to apply for depends on your current Employment Status. Any claim you make will be assessed differently depending on the type of cover you have.

If you work for at least 20 hours per week in permanent paid employment or self-employment, you can apply for **Standard Cover**.

If you work less than 20 hours per week, paid or unpaid, you can apply for **Essential Cover**.

How much Medibank Income Protection you can apply for

The minimum and maximum Monthly Amount Insured that you can apply for (in \$100 increments) at the Acceptance Date is shown below.

	Standard Cover	Essential Cover
Minimum Monthly Amount Insured	\$1,000	\$1,000
Maximum Monthly Amount Insured	75% of your monthly Pre-Tax Income up to a maximum of \$7,500, or \$3,500 for some occupations. If this applies to you, this will be shown on your Policy Schedule.	\$3,500

When we will pay the Benefit Amounts

We will pay the benefits under your Insurance Policy if you suffer an Insured Event while covered under your Insurance Policy, except in the circumstances explained in **What is not covered under your Insurance Policy?** on page 12.

Payment of a benefit is subject to the provision of the applicable claim proofs, which are explained under **Making a claim** on page 16.

Income Benefit

We will pay the Income Benefit as a monthly amount if you:

- suffer a Disability while covered under your Insurance Policy; and
- remain continuously and totally Disabled during the Waiting Period; and
- are continuously and totally Disabled after the end of the Waiting Period.

The Income Benefit starts from the end of the Waiting Period and is paid monthly, 30 days in arrears, during the Benefit Period.

For parts of a month, the amount paid will be at the rate of 1/30th of the Income Benefit for each day the Income Benefit is payable.

Example: If you choose a 30-day Waiting Period, your first payment would be 60 days after you were first eligible to claim (the 30-day Waiting Period plus 30 days because claims are paid in arrears).

Naturally, there is no Income Benefit payable for the duration of the Waiting Period you have chosen.

The meaning of **Disabled/Disability** differs depending on type of cover you have:

Standard Cover	Essential Cover
<p>Disabled/Disability means that solely due to a sickness or injury occurring after the Acceptance Date, you are:</p> <ul style="list-style-type: none">• unable to work in your Usual Occupation; and• under the regular care and following the advice of a Medical Practitioner in relation to that sickness or injury; and• not working in any occupation.	<p>Disabled/Disability means that solely due to sickness or injury occurring after the Acceptance Date, you are totally unable to perform at least three of the following four categories of activities:</p> <p>Cleaning – cleaning your home (such as using a vacuum cleaner, sweeping with a broom, using a mop, cleaning dishes - automatic or manual).</p> <p>Cooking – cooking your meals (such as preparing fresh and frozen food, using an oven, stove or microwave oven).</p> <p>Laundry – doing your laundry (such as loading and unloading a washing machine and hanging out clothes or using a dryer, folding clothes and ironing).</p> <p>Shopping – shopping for food and household items (such as attending shops or using the phone or internet to purchase food or household items).</p> <p>You must be under the regular care and following the advice of a Medical Practitioner in relation to that sickness or injury.</p>

Waiting Period

When you apply for cover, you can choose either a 30-day or a 90-day Waiting Period.

The Waiting Period begins when you consult a Medical Practitioner who certifies you as Disabled due to sickness or injury. You must be continuously Disabled throughout the Waiting Period.

The Waiting Period applicable to your Insurance Policy will be shown on your Policy Schedule.

Benefit Period

The Benefit Period means the maximum length of time that we will pay the Income Benefit for the same or related Disability during the life of your Insurance Policy.

The Benefit Period is shown in your Policy Schedule.

Standard Cover

The Benefit Period you can apply for is one year, two years, or five years.

The Benefit Period will be restricted to one year or two years for some occupations.

Essential Cover

The Benefit Period you can apply for is one year or two years.

Income Benefit amount

The Income Benefit payable each month will depend on the type of cover you have.

Standard Cover

The Income Benefit payable each month of the Benefit Period will be calculated as the lesser of:

- the Monthly Amount Insured; and
- 75% of your monthly Pre-Disability Income, less Other Payments.

The Income Benefit payable may be less than the Monthly Amount Insured shown on your Policy Schedule. This will depend on your Pre-Disability Income and whether you are receiving Other Payments.

For example, if your Benefit Amount is \$5,000 and your Pre-Disability Income was \$4,000, the Income Benefit would be \$3,000 i.e. the lesser of \$5,000 and \$4,000 is \$4,000, and 75% of \$4,000 equals \$3,000.

Using the same example, if you were also receiving workers compensation benefits of \$1,500 per month, the Income Benefit would be \$1,500 i.e. \$3,000 (75% of your Pre-Disability Income) minus \$1,500 (workers compensation benefit) = \$1,500.

These examples are illustrative only. Actual **Standard Cover** Income Benefits payable will depend on your Benefit Amount and circumstances.

Essential Cover

The Income Benefit payable each month of the Benefit Period will be the Monthly Amount Insured.

How long will payments continue?

We will continue to pay you the Income Benefit until the first of the following occurs:

- you cease to meet the definition of Disability applicable to you; or
- the Benefit Period ends; or
- your Insurance Policy ends; or
- your death; or
- you cease to be an Australian Resident. This applies particularly to temporary Australian Residents who hold a valid temporary working visa. If this applies, you will not receive the Income Benefit if you no longer reside in Australia.

Limit on benefits

You are only entitled to one Income Benefit payable at any one time under your Insurance Policy, even if you suffer more than one Disability giving rise to a claim.

The limits on benefits that will apply depend on the type of cover you have.

Standard Cover

At no time can your Income Benefit exceed 75% of your Pre-Disability Income, or \$7,500 per month (whichever is less).

The maximum Monthly Amount insured is \$3,500 per month for some occupations. If this applies to you, this will be shown on your Policy Schedule.

Essential Cover

Benefits are limited to \$3,500 per month.

For both **Standard Cover** and **Essential Cover**, Claims Escalation applies to all claims with a Benefit Period of two years or more. Member Bonus and Claims Escalation payments may result in your benefits exceeding the above limits.

If you are covered under more than one Medibank Income Protection Insurance Policy and/or Medibank Income Protection (Accident Cover) Insurance Policy, we will apply these limits to the aggregate of the Benefit Amounts payable under all such policies. Any reduction in the Benefit Amounts will be applied to the insurance most recently commenced and we will refund the premiums paid in relation to the amount by which the Benefit Amount is reduced.

Other benefits

Rehabilitation benefit

Standard Cover

This benefit provides an additional payment of up to 50% of the Monthly Amount Insured for a maximum of six months. This benefit can help you return to work, and is payable if you are receiving the Income Benefit.

The rehabilitation benefit is payable as a reimbursement of rehabilitation expenses which must be:

- pre-approved by us in writing before the expenses are incurred; and
- in conjunction with a return to work plan; and
- incurred whilst you are receiving the Income Benefit.

Receipts must be provided with claim proofs.

We will not make any payments under this benefit which would be prohibited by health insurance legislation such as the Health Insurance Act 1973 (Cth), Private Health Insurance Act 2007 (Cth) or the National Health Act 1953 (Cth).

Essential Cover

Rehabilitation benefits are not available under **Essential Cover**.

Total and Permanent Disability benefit

Standard Cover

This benefit applies if you have a two year or five year Benefit Period and provides a lump sum benefit at the end of the Benefit Period, where the Income Benefit has been paid continuously during the Benefit Period and you are Totally and Permanently Disabled and unlikely to ever return to work in your Usual Occupation.

The Total and Permanent Disability benefit payable is:

- if your Insurance Policy has a two year Benefit Period, a lump sum equal to three times the Monthly Amount Insured; or
- if your Insurance Policy has a five year Benefit Period, a lump sum equal to five times the Monthly Amount Insured.

For example, if your Insurance Policy has a two year Benefit Period and your Benefit Amount is \$2,500, the Total and Permanent Disability benefit payable would be \$7,500 i.e. 3 x \$2,500.

Essential Cover

Total and Permanent Disability benefits are not available under **Essential Cover**.

Death benefit

This benefit provides a lump sum payment of three times the Monthly Amount Insured if you die while the Income Benefit is payable. If you are not eligible to receive the Income Benefit when you die, no death benefit is payable.

Member Bonus

For Medibank Private members who suffer a Disability that results in payment of the Income Benefit, we will increase the Income Benefit payable by an extra \$200 per month (pro rata for part of a month). This bonus payment may be used as a contribution toward costs that you may incur e.g. private health insurance. It will be paid when the Income Benefit is paid, even if the Income Benefit that you are receiving is the maximum payable.

When your cover starts and ends

If your application for Medibank Income Protection is accepted by us, your cover starts on the Acceptance Date set out in your Policy Schedule. This means you are covered for a claimable event from the Acceptance Date. Your first premium is deducted from the Commencement Date, which is also set out in your Policy Schedule.

We guarantee to continue cover for the Life Insured under your Insurance Policy (provided you pay your premiums when due) until the first of the following occurs:

- the Policy Anniversary following your 65th birthday; or
- the date your Insurance Policy ends; or
- the date you cancel your Insurance Policy; or
- the date we cancel your Insurance Policy; or
- the date you cease to be an Australian Resident; or
- your death.

If your premiums remain unpaid for more than one month, your Insurance Policy could be cancelled. If we cancel your Insurance Policy, it may be reinstated within six months of the date that your Insurance Policy was cancelled, but only if we agree and subject to any terms and conditions we require.

You can cancel your Insurance Policy in writing by providing us with your full name and policy number along with your instruction to cancel to:

Policyowner Services

Medibank

PO Box 6728

Baulkham Hills NSW 2153

by giving us 30 days' notice.

If you wish to discuss the matter or make alterations to your Insurance Policy, you can contact us on **1300 766 085**, Monday to Friday, between 8am and 8pm (AEST).

Employer-approved leave from work

If you have **Standard Cover**, you can maintain your Insurance Policy whilst on leave from work for an employer-approved period of time e.g. parental leave, long service leave, study leave, sabbatical, etc.

Disability during the period of leave will be based on your Usual Occupation and Pre-Disability Income (calculated as at the last day prior to your leave commencing). After two years on leave from your Usual Occupation (which means you are not producing a Pre-Tax Income from your Usual Occupation), no benefit is payable.

Employer-approved leave from work does not apply if you are self-employed or if you are covered under **Essential Cover**.

Reduction in working hours

If you have **Standard Cover**, and you reduce your working hours to less than 20 hours per week, you can continue to hold **Standard Cover**. However, you should be aware that if your Pre-Disability Income also decreases, the amount you are eligible to claim may also reduce.

If you have **Standard Cover**, and you cease working in paid employment for two years, you should be aware that no benefit would be payable. If this applies, you may want to reconsider the cover you have.

What is not covered under your Insurance Policy?

We will not pay an Income Benefit in respect of a claim for a Disability occurring directly or indirectly as a result of:

- an intentional or deliberate self-inflicted act or attempted suicide; or
- war (whether declared or not) or war-like activity, or taking part in a riot or civil commotion; or
- Chronic Fatigue Syndrome (including myalgic encephalomyelitis, post viral fatigue and other terms commonly used to describe Chronic Fatigue Syndrome); or
- Mental Disorder or Illness.

In addition to the above, we will not pay an Income Benefit in respect of a claim for a Disability occurring directly or indirectly as a result of:

- normal and uncomplicated pregnancy, childbirth or miscarriage where you are Disabled for less than 90 days after the later of the date your pregnancy finished or the date your Disability commenced (this replaces the normal Waiting Period in this case).; or
- cosmetic surgery, unless you are Disabled for more than three months from the later of the date of your surgery or the date your Disability commences (the later date being the date we will consider your Disability to have started).

We will not pay the Income Benefit where we have agreed a special term with you in respect of your cover that specifically excludes the event or condition leading to the claim. Any such special term will be agreed with you before your Insurance Policy is issued and will appear on your Policy Schedule.

Who receives the Income Benefit?

We will make all Income Benefit payments to the Policyowner.

If a death benefit is payable, it will be paid to your legal personal representative (or other person that we are permitted to pay under the Life Insurance Act 1995).

All benefits are paid in Australian dollars.

Changing your cover

You can phone us on **1300 766 085**, Monday to Friday, between 8am and 8pm (AEST) to discuss changing your Medibank Income Protection cover. We may require you to confirm changes in writing if you wish to:

- increase your Benefit Amount; or
- decrease your Benefit Amount; or
- change your status from a smoker to a non-smoker, for the purpose of determining the premium rating.

If you have **Standard Cover**, you can apply to increase your Benefit Amount without further assessment if you have received an increase in salary equal to 20% or greater (at any one point in time). You must apply for your Benefit Amount increase within 60 days of your salary increase and you are limited to three of these increases throughout the duration of your Insurance Policy. This is subject to the minimum and maximum limits in **How much Medibank Income Protection you can apply for** on page 7.

Any changes that increase our risk will be subject to you meeting our eligibility requirements and may require the submission of additional information to support your application. If you apply to make these changes and we approve the change, we will provide confirmation by issuing a new Policy Schedule.

Any existing cover in place will be unaffected by future applications for increases, even where we decline the increase or agree to cover subject to special terms.

The cost of your cover

Premiums are the cost of your insurance. The premium you are required to pay is shown on your Policy Schedule.

Your premium is calculated at the Acceptance Date and at each Policy Anniversary and is based on:

- the age of the Life Insured at that time; and
- the Monthly Amount Insured; and
- the Benefit Period; and
- the Waiting Period; and
- various other factors which may affect the premium rating, such as gender, smoking status, the state of your health, family history, occupation, Employment Status and participation in hazardous activities.

We may change the premium rates applying to your Insurance Policy, but only if we change the premium rates applying to all (or the same group of) Medibank Income Protection Policyowners. We will send written notice of any change to you (or to your last address notified to us) at least 90 days before the effective date of the change.

For a premium estimate, please visit **medibank.com.au/life** or phone **1300 722 568**.

If you are a Medibank Private health member, you are eligible for a 10% premium discount on your Insurance Policy.

You should note that the actual cost of your premiums may vary from any indicative premium estimate provided online or by phone.

Premium waiver

You do not have to pay your premium for your Insurance Policy for any period during which the Income Benefit is payable.

How you can pay for your Insurance Policy and when your premium is deducted

Your premium will be debited by us on the date of your choice, either fortnightly or monthly or as authorised by the Direct Debit Service Agreement. You can pay either by direct debit from your bank, credit union or building society account or from your credit card.

You can apply at any time in writing or over the phone on **1300 766 085**, Monday to Friday, between 8am and 8pm (AEST) to change the method or frequency of payment of premiums.

Premiums must be paid in Australian dollars.

Financial hardship

If you are suffering from financial hardship and are having difficulty meeting your premium payments, we may agree to a short term arrangement to assist. It is important that you make us aware of your circumstances so we can provide you with the available arrangement. We may request that you provide us with reasonable evidence of your financial hardship.

Your 30-day cooling off period

You have 30 days from the Commencement Date of your Insurance Policy to decide whether you want to keep your Insurance Policy. If you want to cancel your Insurance Policy within this 30-day period, you can do so provided you have not made a claim under your Insurance Policy. Please send your written request for cancellation, providing your full name and policy number to:

**Policyowner Services
Medibank
PO Box 6728
Baulkham Hills NSW 2153**

within the 30-day period.

When we receive your request, we will cancel your Insurance Policy or the additional benefit, as applicable, and refund any premiums you may have paid.

Your duty of disclosure

When applying for a Medibank Income Protection Insurance Policy, you have a duty of disclosure under the Insurance Contracts Act 1984, to tell us anything you know, or could reasonably be expected to know, which is relevant to our decision as to whether to insure you and on what terms. You have this duty until we agree to insure you. You have the same duty to disclose those matters when applying to increase a Benefit Amount or include additional benefits, or when applying to reinstate your Insurance Policy.

You do not need to tell us anything that:

- reduces our risk;
- is of common knowledge;
- we know, or as an insurer, should know; or
- we indicate we do not want to know.

If you fail to comply with your duty of disclosure, and we would not have issued your Insurance Policy (or accepted an application to extend, vary or reinstate your Insurance Policy) if the duty had been complied with, we may avoid the relevant part(s) of your Insurance Policy within three years of the Acceptance Date of your Insurance Policy (or the date we agreed to increase a Benefit Amount, include additional benefits, or reinstate your Insurance Policy, as applicable). This means we could refuse to pay a benefit.

If the non-disclosure is fraudulent, we may avoid your Insurance Policy at any time.

Alternatively, we may also:

- reduce the amount of cover under the relevant part(s) of your Insurance Policy at any time to reflect the premium that would have been payable if all relevant matters had been disclosed to us; or
- if we have not cancelled your Insurance Policy or varied the cover amount, we can vary your Insurance Policy (including any of the terms and conditions of the relevant part(s) of your Insurance Policy) in a way that places us in the same position we would have been if the non-disclosure or misrepresentation had not occurred.

In exercising our rights outlined above, we may consider whether different types of cover can constitute separate contracts of life insurance. If they do, we may apply the above rights separately to each type of cover.

Your duty of disclosure continues to apply after your application for cover, extension, variation or reinstatement until such time as we notify you that the risk has been accepted.

Please note: Medibank Private does not provide any information it may have about your health, medical and claims history,

occupation or pastimes to us. In addition, we will not take into consideration any other disclosures you may have made when applying for other Medibank products. Therefore you must act in accordance with your duty of disclosure explained above, and you must provide complete and accurate answers when applying for insurance, or when applying to increase a Benefit Amount, or when applying to include additional benefits or reinstate your Insurance Policy. You must provide all information even if you think or are aware that such information is, or may already be, held by Medibank Private.

Life Insurance Code of Practice

The Life Insurance Code of Practice has been developed by the life insurance industry through the Financial Services Council and is the life insurance industry's commitment to provide both quality products and a high standard of service to customers. A copy of the Code is available at fsc.org.au

The risks you should know about

It is important to select the correct insurance product and apply for the appropriate level of cover for your needs. If you do not have enough cover, it might cause you or your family to suffer financial hardship even after receiving the benefit payment. You should assess your needs carefully to ensure that this does not occur.

Under **Standard Cover**, if you have more cover than you need, you may be paying for more cover than you are eligible to receive. This is particularly important if your Income reduces or if you cease to generate an Income (see details in **Employer-approved leave from work** and **Reduction in working hours** on page 12).

Medibank Income Protection is designed purely for protection (unlike some other types of insurance that have savings or investment components), which means that if you cancel your Insurance Policy (after the 30-day cooling off period), you will not receive any of the premiums you have paid back.

If you are replacing a contract or contracts, or a policy or policies with a Medibank Income Protection Insurance Policy, you should consider all the terms and conditions of each policy before making a decision to change.

Making a claim

If you (or your legal personal representative on your death) wish to claim under your Insurance Policy, please phone **1300 360 129**, Monday to Friday, between 8am and 8pm (AEST) or write to:

Claims Services
Medibank
PO Box 6728
Baulkham Hills NSW 2153

We will send you, or your legal personal representative, a form to be completed, signed, and returned. We may also require your treating doctor or specialist to complete a form at your (or your estate's) expense.

Claims should be made as soon as possible after the claimable event. If you do not notify us within 120 days after the event giving rise to the claim, and we are disadvantaged by the delay, we may be entitled to reduce the amount we would otherwise pay, or we may be entitled to refuse to pay the claim.

Before a claim can be fully assessed, we must receive proof, provided at your (or your estate's) expense and to our satisfaction, that the Insured Event has occurred. This includes all relevant information, including any

test, examination, or laboratory results and certification from one or more appropriate specialist medical practitioners whom we approve. Only medical practitioners registered in Australia or New Zealand (or in another country approved by us) will be considered for approval.

To claim the Income Benefit, you will need to provide proof of Pre-Disability Income over the two years immediately prior to the claim. This is not applicable if you have **Essential Cover**.

We reserve the right to require the Life Insured to undergo, at our expense, examinations or other reasonable tests to confirm the occurrence of an Insured Event or entitlement to claim. In addition we may conduct investigations to assess the validity of the claim. This could involve the use of investigation agents and surveillance, legal advisers and the collection of personal data.

Your Insurance Policy must be in force when the Insured Event occurs.

Recurrent Disability benefit

Standard Cover

If Disability recurs from the same or a directly related cause within six months of your last Income Benefit payment and you are again eligible to claim, we will treat it as a continuation of your previous claim. In this circumstance, the Waiting Period will be waived, but your claim is only payable for the balance, if any, of the Benefit Period.

Essential Cover

Recurrent Disability benefit is not available under **Essential Cover**.

Eligibility for a new claim

If you are covered under **Standard Cover**, to be eligible to make a new claim, (which is not considered a Recurrent Disability claim) you must have returned to work for at least 20 hours per week and your Insurance Policy must be in force at the date your new claim begins. You must serve the Waiting Period again.

If you are covered under **Essential Cover**, to be eligible to make a new claim, you must be able to demonstrate that you have regained your capacity to complete at least three of the four categorised activities referred to on page 8 and your Insurance Policy must be in force at the date your new claim begins. You must serve the Waiting Period again.

Tax

If you are earning a taxable Income, the premiums in respect of your Insurance Policy may be tax-deductible. All benefits payable (including the rehabilitation benefit and the Member Bonus) will then generally be considered as taxable Income.

Please note: You do not have to pay GST on your premiums or any benefits you receive.

The information in this section is based on continuance of present tax laws and their interpretation and is a general statement only. As individual circumstances will vary, you should consult your professional tax adviser for advice regarding your personal circumstances.

Privacy

We collect personal information (including sensitive information) for the purpose of processing insurance applications, administering your Insurance Policy and assessing and paying claims under your Insurance Policy. Where possible, we collect personal information directly from you or, where that is not reasonably possible or practicable, from other sources.

We may also use your personal information to consider any other application you may make to us, designing or underwriting new insurance products, for research and analytical purposes, to perform administrative functions (including for example accounting, risk management, staff training, etc.) , and to comply with our legal obligations . If you do not provide this information in whole or in part, we may not be able to provide the services you require, or you may be deemed to not have complied with your duty of disclosure, which could affect the outcome of any claim you submit.

We may disclose personal information:
